We welcome product donations that align with our commitment to quality, comfort, and practicality.

Every product you donate helps us fill more parcels with comfort and care, bringing moments of relief to patients when they need it most.

How You Can Donate:

- **Minimum Donation:** Ideally, a minimum of 50 units per product to ensure consistency in our gift packages.
- **Product Quality:** New, unopened items that are appropriate for sensitive skin and cancer patients (e.g., fragrance-free, gentle formulations).
